User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This is greenbelt land which is designated for farming. The planning Application talks about changing the classification of the land to grey belt land. My understanding is that this type of classification is for land that has previously been built on and this is not the case here. I cant see that there are any EXCEPTIONAL circumstances to change the use of this land and it would greatly impact on the character of the area in general.
