The land on which this proposed building takes place is GREEN BELT AGRICULTURAL LAND and is reason enough for the application to be declined. In addition there are four large family houses up for sale in Stocksmoor and nearby Thurstonland at the present time and therefore there is no reason for the erection of another family home. If this planning application is approved it will be the thin end of the wedge and possibly the start of even further erosion of our priceless Green Belt countryside. The only reason for this new build is for FINANCIAL GAIN and nothing else. Absolutely against this proposal which does not even deserve consideration.
