<p>I am objecting to the proposed plans for one house in a green belt area. The field has been farmed regularly. Why would plans be passed for one house in the corner of a large field .</p> <p>One house won't make a difference to the housing shortage . There have never been any buildings on this field so it can't be seen as Grey Belt .</p> <p>The application is totally inappropriate and in a Green Belt area and I respectfully request that it be refused</p>
