User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This application is clearly ridiculous and should be refused. The proposed site for development is on Green belt land farmed regularly. It is situated between the village of Stocksmoor and the hamlet of Whitestones. It is in an unsustainable area due to the very limited public transport and poor access to or availability of shops, schools and health and entertainment facilities. The application is an obvious attempt to change the zoning of this land. The applicant has no intention to build one house. He is hoping to build 50 or 100! I hope that you will reject it as soon as possible.
