

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England)
Order 2015**

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2025/60/91236/E

To: Andrew Keeling,
AKPlanning
147, Lane Top
Linthwaite
Huddersfield
HD7 5SG

For: Marcus Hall, Construction Industry

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

At: OUTLINE APPLICATION FOR ERECTION OF RESIDENTIAL DEVELOPMENT
(ONE DWELLING) WITH ALL MATTERS RESERVED
LAND OFF, STOCKS MOOR ROAD, STOCKS MOOR, HUDDERSFIELD, HD4
6XQ

In accordance with the plan(s) and applications submitted to the Council on 06-May-2025. The reasons for the Council's decision to refuse permission for the development are:

1. The proposed development constitutes inappropriate development in the Green Belt, as it does not fall within any of the exceptions set out in Paragraph 154 and 155 of the National Planning Policy Framework (2024). The proposal would erode a sensitive rural edge, lacking containment, and would undermine the Green Belt's function in this location. The siting of the proposal would fundamentally undermine the purposes of the remaining Green Belt across the area of the plan in this case due to resultant encroachment into open countryside, thereby undermining the purpose of including land within the Green Belt to assist in safeguarding the countryside from encroachment set out in Paragraph 143(c). No very special circumstances have been demonstrated that would clearly outweigh the harm to the Green Belt and any other harm, and the development is therefore contrary to policies contained within Chapter 13 of the National Planning Policy Framework.

2. The proposed development, by reason of the siting and the introduction of built form into an undeveloped and prominent parcel of land, would result in undue harm to the open and rural character of the area. The proposal would fail to conserve and enhance the visual amenity and landscape character of the area, contrary to Policy LP24 and Chapter 12 of the National Planning Policy Framework 2024.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2024 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2024 and otherwise actively engaged with the applicant in dealing with the application.

Given the fundamental policy conflict with national Green Belt policy and the resulting harm to the landscape character and visual amenity, the application was not considered capable of being made acceptable through negotiation or amendment. As such, the Local Planning Authority did not seek to engage further with the applicant, as doing so would not have overcome the principal reasons for refusal.

Where the application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) the specified period starting from the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorate website](#)
Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](#)
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
