 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The aim of the home would be to provide residential care for disadvantaged young people who have suffered trauma and neglect. This is a vital service that enables local authorities to fulfil their legal obligation to provide a safe environment for each young person that needs this level of guidance and support which cannot be provided within his or her own family home. We are seeking to obtain a certificate for lawful use of this property. The house will continue to be a residential property for the young people who will live there, each having their own bedroom and residing in the home as a permanent resident. I do not believe there is any material change of use. Applications for Lawful Development Certificates have been granted previously where there are three young people living in the home with three staff plus a manager. We would have one young person and 2 staff plus a manager. This would mean that arrivals and departures would continue to be identical to a normal family home thus causing no issues for neighbours or the local community.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
 No

- Owner
 Lessee
 Occupier
