

### **Source for Natural Stone for boundary / retaining walls**

Natural stone will be sourced from AD Calvert's Witton Fell Sandstone 140mm Coursed Random Length – Natural Buff Pitched. – this is the same natural stone secured on plots facing Penistone Road and approved via the discharge of planning condition 28 (app ref. 2024/92428)

Quarry Website: [Witton Fell Stone - A D Calvert - Quality Yorkshire Stone Supplier \(calverts.co.uk\)](http://calverts.co.uk)

The quarry is located to the west of Ellingstring – see grey pin drop below.
