<p>With the current size of the college, the number of cars parked in Grasmere Road everyday that college sits is such that every piece of road is filled with parked cars. This means that the residents of Grasmere Road cannot have any visitors arriving by car, and tradesmen have nowhere to park whilst working. Frequently the students park so as to block driveways so that residents cannot get their own cars in or out. I have had tradesmen have to postpone doing work at my house as they cannot find anywhere to park. An increase of the student roll will make this even worse and would probably mean that refuse collection would be impacted (the truck wouldn't be able to get access), and may affect access by the emergency services. I suggest that rather than allowing even more students, the college invests in a large car park.</p>
