Subject: Greenhead college parking concerns

CAUTION: External email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear team,

The situation on parking and traffic on Grasmere road is out of control as it is.

It makes me very worried about expanding the greenhead college with inadequate parking planning.

At the very least our street should be permit only parking during college hours.

There are many careless young drivers and speeding up down a residential road with many children.

I hope this can be taken into consideration.
