**Subject:** FW: Greenhead College (Application 2025/91308) - Additional information received

Hi,

I have received the email comments below from Councillor Pattison regarding this application.

Please could you add these to the application file.

Please let me know if you have any questions.

Thanks,

Jill

I have read the additional comment from Greenhead College. The on -street parking in this area to the West of Greenhead Park has become considerably worse this year and I have received many complaints from residents in the area. Not just that the road is full of parked cars leaving difficult access to residents parking but of illegal and inconsiderate parking also. I note the comments that this additional parking could be anyone from a variety of places but it is clear to residents of Grasmere Road that it is mainly Greenhead College students. Most evidently when there has been a day when the college has not been open, the additional parking in the street and around Greenhead park even, is non-existent. Also the time that they arrive and leave and many have spoken to individuals have shown that it is Greenhead that is the cause of most of this additional parking.

The parking is already over subscribed, so the number of additional places is irrelevant.

Kind Regards,

Carole
