<p>I object to this planning application on the grounds of access and safety.</p> <p>The road leading to the development is incredibly narrow and often has parked cars on one side. The increase in vehicles will make this incredibly dangerous as there will be no room for vehicles to pass leading them to have to reverse onto a hill which already has bad visibility.</p> <p>The increase in vehicles will also be dangerous to pedestrians as this is a public footpath with no pavements.</p> <p>I do not believe refuse vehicles and emergency service vehicles will be able to safely access the site due to the narrow road and the tight turn next to an existing dry stone wall.</p>
