Joseph Norton Academy: Application to discharge condition 3 of planning permission 2023/48/93350/W

On behalf of Kirklees Council, we are pleased to submit an application to discharge condition 13 of planning permission 2023/48/93350/W for the permitted Joseph Norton Academy, located at the site of the former Deighton Centre, Deighton Road, Huddersfield, HD2 1JP.

On 13 May 2024, planning permission was granted for:

“Development of former Deighton Centre (previously Deighton High School) for a social emotional and mental health school (Use Class F1) comprising single and two storey educational buildings; roof mounted photo-voltaic panels; sensory garden spaces; multi-use games areas; landscaping; hardstanding areas; carparking; access with secure fencing and ancillary development.”

This permission is subject to 22 conditions.

Application Submission

This application has been submitted via the Planning Portal (PP-13870896) comprises:

- Completed application form;
- This covering letter; and
- Brown Grey Brick Specification;
- Grey Black Brick Specification; and
- Brick Samples (including Brown Grey, Grey Black, Yellow Glazed and Green Glazed Bricks) as shown on the photograph and to be viewed in person at Kirklees Council offices.

Condition 3

Condition 3 states:

“Prior to their use, details of all the external facing materials for the building shall be submitted to and approved in writing by the Local Planning Authority. The development shall be completed using the approved materials, prior to the hereby approved building being brought into use.”

The following materials and colours are proposed:

- Facing brickwork (principal elevations, including soldier course): Wienerberger Bronsgroen (buff) – *specifications and samples provided as a photograph and in-person at KC offices*
- Facing brickwork (main hall): Wienerberger Pagus (grey/black) – *specifications and samples provided as a photograph and in-person at KC offices*
- Feature brick panels: Klinker La Covadonga Glazed bricks Yellow glazed – 3223-L - *samples provided as a photograph and in-person at KC offices*
- Feature brick panels: Klinker La Covadonga Glazed bricks Green glazed – 3315-L - *samples provided as a photograph and in-person at KC offices*
- External aluminium window and door frames: RAL 7003 (Moss grey)
- Louvres (above windows): RAL 7003 (Moss grey)
- Rooflight frames: RAL 7003 (Moss grey)
- Lean-to mono-pitch canopy frames: RAL 7003 (Moss grey)
- Metal trims (coping etc): RAL 7003 (Moss grey)
- Rain Water Pipes inc. hoppers (main hall): RAL 7016 (Anthracite grey)

Summary

We trust that sufficient information has been provided to validate and determine this application. If you require any further information or clarification, please do not hesitate to get in touch with me or my colleague Jonathan Standen.

Yours sincerely
