<p>Plans for house building on this same land were submitted within the last two years and planning permission was refused. What has changed in order to overturn this decision?</p> <p>It appears that protected trees are at risk of being cut down. What validity therefore has a TPO if it can be removed at will?</p> <p>What special remedial action is planned to minimise the high risk of movement/subsidence due to the significant presence of coal mining referral areas?</p> <p>As an area there is a shortage of School places, Doctors and Dentists of which many of which are over subscribed. Surely this should pose a serious consideration for any planning approval.</p>
