About the application

Application number: 2025/91370	
What is the application for?:	Demolition of existing dwelling and erection of 50 dwellings with associated acc
Address of the site or building:	Land at, Gynn Lane, Honley, Holmfirth, HD9 6LF
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
Given the historical industrial activity in this area, there is a significant concern regarding potential mining risks associated with the proposed development site. The area is known to have a history of coal mining, and there may be uncharted mine workings. Without a thorough and independent ground stability report, including detailed investigations for mine workings, the safety of any future structures and the people within them cannot be guaranteed.
