<p>I oppose the application on the following grounds.</p> <p>1 The area is semi rural and is home to a large amount of wildlife whos habitat will be decimated.</p> <p>2 The access to the site is totally unsuitable for the number of dwellings planned.</p> <p>3 The main road junction is already the site of several accidents and in heavy rain floods.</p> <p>4 The infrastructure is not suitable for the numbers planned, health services, education services are already under pressure.</p> <p>5 The planned number of dwellings will have a detrimental effect on the people living in the area due to noise, pollution etc</p>
