I totally object to this application. I have relatives/friends who live on/ slightly off Gynn Lane. The road is too busy as it is without another 50 houses being placed there. This road is used to pick children up from neighbouring honley high school to avoid congestion on station road. An increase in traffic to the houses would make this dangerous and accidents could happen. Not to mention the safety of the children being picked up/ trying to get home. Children use the snicket to access Neiley playing fields too. Not to mention the disturbance of wildlife and just the removal Of more of our green spaces!
