Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
An erection of so many houses in a rural area will not only affect the local wildlife but have a major impact on schools,Doctors and other public services which are already struggling to service our community. The recent traffic islands etc at the bottom of Gynn Lane that have just been added are already making that area more difficult to navigate and increase in the volume of traffic will only exacerbate this. I agree with other comments that this should not be supported.
