My objections to this proposed development are as follows: 1. The road down Gynn Lane from this site bends sharply with no pavement on the left side. Between 2.45 and 3.15-3.30 many cars park on both sides of the road below this corner waiting for school children who walk through the snicket from Station Road, crossing the road just below this dangerous corner. 2. The woodland at the proposed access to the site is protected, and has a protected Rookery as well as other wildlife. 3. There is already a problem with flooding in that area. 4. The old mine workings underneath this site surely present difficulties for building?
