Address of the site or building:	Land at, Gynn Lane, Honley, Holmfirth, HD9 6LF
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I am writing on behalf of our listed hamlet. I and my neighbours are very concerned of the impact of further traffic in our area. We have a 30 miles an hour speed limit which very few can either see or take notice of . We already have many vehicles , literally flying down the lane, we have no pavements and with residential cars parked on one side it only allows for one lane traffic. We have horse riders, ramblers, cyclists. Walkers and dog walkers utilising the lane , presuming each of the proposed 50 houses have two cars prr household we will potentially have a further 120 + cars driving to Brockholes School, Thurstonland School and Farnley Tyas, we have residents from Gynn Lane and Honley village travelling up the lane to access the motorways . The situation in the hamlet is already dangerous. Please do not allow this planning application to go ahead. If you do pass the apication please put traffic calming in place and make you're signage visible
