Type of comment: A general comment	
Do you wish your comments to be published on the website anonymously?	Yes
The Council is responsible for deciding whether to approve a house building proposition that is clearly problematical. Many residents with knowledge and experience of the locality have identified numerous reasons why the site is unsuitable. Can the Council afford to ignore the wide-ranging risk factors; or the potential consequences of going ahead? Rejection of the application is the most sensible and safest option for the Council.
