The traffic flow testing was carried out at the top half of Gynn Lane, but it is the lower half which gets congested with parked cars, parents collecting school children in term time, parked on both sides of the road. The school uses Gynn Lane regularly to take pupils down to the playing field. I suggest your planners visit Gynn Lane during term time between 2.55 and 3.30 to witness the many children using the snicket from Station Road to access waiting cars just below the sharp corner.
