<p>Dear Kirklees Planning,</p> <p>I still strongly object to the proposed construction of 50 dwellings at this site above my house at 16a Gynn Lane.</p> <p>My main concern among many, is the consequent water damage to existing houses and retaining walls in the close downhill vicinity.</p> <p>Frequent flooding in Gynn Lane bears testament to my concerns.</p> <p>Annual rainfall is increasing in these years of climate change so the water drainage problem will be further exacerbated.</p> <p>Building over and covering over natural water retentive grassland meadow, old mine workings and adits is irresponsible.</p> <p>Yours faithfully,</p> <p>A concerned resident.</p>
