Good afternoon William,

Thanks for the call earlier. I just want to reiterate that the highways response allows for routing from either direction along Denby Lane, as long as vehicles don't go down smaller estate roads (the majority of these are cul-de-sacs anyway). Secondly, the fencing along the easter boundary, please come back to us on this, but I struggle to see any issues with a 1.8m along about 7-8m of the PROW.

The Hedgehog gaps are shown on the attached plan.

Kind regards,

Michael Parham

Senior Planning Consultant
