Subject: Comment upon planning application 2025/NMA/91468/W

To whom it may concern,

I have been instructed by Kirkburton Parish Council to submit an associated comment upon the planning application 2025/NMA/91468/W.

The Council is concerned at the recurring traffic disruption on Penistone Road at the entry point to this site, whereby traffic lights have been sporadically installed and removed from one day to the next on a weekly basis over a period of months, and wishes to make Kirklees Council aware of the continual traffic disturbance.

Kind regards,

Alex Greenwood
