<p>I do not feel that the branding or type of business is in keeping with Scissett as a village. There is already a takeaway (Saffron) and Italian restaurant in the village.</p> <p>The noise, disturbance and odour from a pizza takeaway will add to the noise and disturbance from , which is barely tolerable at times. Streets affected are quiet residential streets of family homes - Crown St, Stanhope St, Fleet St, Water St, New St.</p> <p>I am also concerned about the impact of litter from take away food and drink on the rural environment, not just in Scissett but the surrounding area. The layby at Pool Hill, above Scissett is always full of takeaway litter. We need to reduce this, not add to it. This is in addition to litter along Wakefield Rd.</p> <p>A further takeaway, particular a well known brand will attract plenty of cars, creating more parking problems on Wakefield Rd, and adding further traffic to a busy road, with a history of road accidents.</p> <p>There are two schools in Scissett. A pizza takeaway so close to the schools, and close to bus stops and where parents park to collect school children is not conducive to encouraging healthy eating amongst children and teenagers .</p>
