<p>Extraction will vent the fumes down the valley and straight into all the rooms in my home, we already suffer from smoke from illegal fires but these are not daily. Extraction for 12 hours a day would prevent us from having quiet enjoyment of our home.</p> <p>Delivery vehicles coming and going 11-2300 will add significant noise and burden to an already busy road.</p> <p>The presence of a Multinational fast food company will change the whole feel of the village, compete with local businesses owned and run by local people and will not contribute to the local economy.</p> <p>We already have problems in the area with antisocial behaviour from drinkers and people parking up in vehicles in suspicious circumstances and further fast food outlets may encourage more of this behaviour.</p> <p>We already find fast food containers from other outlets abandoned in hedges and on local roads and in our own waste bins and this will raise the likelihood and incidence of this happening.</p> <p>Please do not allow further takeaways in the village they are ruining our peaceful enjoyment of the area.</p>
