<p>The current property is totally dilapidated, an eyesore and has been vacant for a number of years. We have seen numerous incidents of anti social behaviour, individuals squatting and activity which are all of massive concern to us as residents. The police are regularly called out to this property.</p> <p>This property is currently very much out of character with the rest of the street, this development will put an end to the anti social behaviour we have been seeing on our street and we support this application fully.</p>
