<p>I strongly oppose this development . The new junction will cause chaos for traffic with upto an additional 100 vehicles using the new junction.We really struggle now to get out of Stubley farm road onto the A62 .The Alma Lane junction is opposite Stubley farm road and is only wide enough for 1 vehicle at a time in or out which causes vehicles to wait for a gap to enter/exit Alma Lane ,more vehicles exiting from the new development which is approx 30 yards from the Alma lane and Stubley farm road junction will be really dangerous and make it nearly impossible for us to get out into the main A62.It will be an accident waiting to happen and I can't believe that the highways dept will allow this to happen.</p> <p>If this development goes ahead the owner of the 2 houses to be demolished walks away with over 1 million pounds.</p>
