<p>I wish to object for the following reasons:</p> <p>Highway Safety- concerns about increased traffic congestion Leeds Road is very busy most times of the day and potential safety issues from Alma Lane. (The traffic was monitored during the quietest period of the day).</p> <p>If planning is granted where are the vehicles for land clearing going to wait for access onto the building land one side of the proposed entrance has a children nursery with parents dropping children off and the other side is a small single track Road(Stubley Farm Road). Alma Lane is not suitable for heavy traffic. There will also be increased traffic with building materials and where will the contract workers park there vehicles.</p> <p>The people who live bordering the fields will loose their privacy and lovely outlook of trees and field.</p> <p>At the moment the residents of Heckmondwike enjoy the regular visits of the circus , fair ground and tent pegging on adjoining fields together with farm animals from March through to October. It would be awful to think that in the future these fields would also become housing developments with no green fields left for dog walkers and people who enjoy walking in the countryside.</p>
