<p>I object to this proposed development of 51 houses on grazing land and the devastating affect it will have on the local residents who will have to put up with all the increased traffic and pollution that this will cause the residents at the new entrance, as vehicles wait to enter exit the new development.As a qualified asthma nurse I know what damage can be caused by this increased amount of traffic to children and older people.The A62 is already a busy road with Stubley farm road and the Alma lane junction only 30 metres from the proposed new junction.</p> <p>Both Stubley Farm Road and Alma Lane are single track roads and vehicles need to queue on the main A62 on a regular basis to access either road.</p>
