<p>Alma lane is currently used a a rat run between two major areas. Especially when traffic builds from the motorway. One sided footpath is a nightmare, often with cars on both sides. Often impossible to get through safely. Then the school kids walking through makes it so dangerous.</p> <p>I myself have nearly had a collision with a lady with a pram and young child having to go onto the road, cars racing through put this lady in danger.</p> <p>I stopped to check the lady was ok, having extra vehicles passing through will be even worse.</p> <p>A death waiting to happen</p>
