<p>Main objection is the entrance / exit being on Highmore Lane. This unmarked road is already congested due to insufficient parking for the new houses recently built there.</p> <p>To create entrance & exit next to these houses would mean destroying protected trees.</p> <p>There is nowhere for HGVs to turn around. The noise and pollution for properties on Highmore Lane will drastically affect the quality of life for residents whilst the build is in progress.</p> <p>The entrance / exit should be on Halifax Road utilising one of the old school entrances. It would be left turn only which needs to be considered, however will avoid the congestion and build up of traffic at the lights on Highmore Lane.</p> <p>I'm concerned that this land has not been offered for public sale.</p>
