<p>Gynn Lane is very narrow at this point with very bad visibility around the old weavers cottages It is swarming with school children being dropped off/picked up by parents or walking home</p> <p>The rest of the time this field is a haven for wildlife bats, deer, foxes and birds of prey It's a historic site of Honley history and full of TPOs There MUST be other areas with existing new builds that could be extrnded without much impact Huddersfield has been destroyed Don't destroy the heart of a thriving village</p>
