<p>As a resident on Lyndale Mews I am concerned as to access to the proposed property during the building of and thereafter. Our houses are allocated garages where access is required at all times and the area in front of said garages is a turning point only not access to additional properties. I'm sure the property would not be able to be constructed without considerable disruption to the residents on Lyndale Mews. Therefore, I strongly recommend this build does not take place.</p>
