<p>Lyndale Mews is a small road already loads of cars parked on either side of the roads. It is difficult for a dustbin wagon to get through most of the time they cant do all the bins due to park cars.</p> <p>We also have the 1st garage at the top of Lyndale mews which is already difficult to get in of out off.</p> <p>There is not room for a busnesse to be put at the top hopefully someone will come out and access all of this.</p> <p>This will have a big impact on our lives. There is young children that play on this street. They is also the noise from large vehicles. We all work around here and some people work nights so this will interfere with quality of lives</p> <p>This application is not practical for our small cul d sac.</p>
