| <p>I would like to object to the above application. Due to the impact the HGV vehicles would have on Lyndale Mews and kilpin Hill.</p> <p>These roads are not wide enough to accommodate these vehicles.</p> <p>Also my garage is at top of Lyndale Mews This is already difficult to get in and out off.</p> <p>The noise and traffic pollution would affect all residents.</p> <p>I am retired and enjoy spending time in my garden but this will impact my quality of life.</p> <p>Most people work on this street and some work nights so this will also impact there quality of lives.</p> <p>We also have s lot of young families around here and the children feel safe enough to play out ,but this will impact there lives too.</p> <p>Hopefully someone will take all this into consideration.</p> | |
