<p>The erection of a dwelling here will vastly impact the residents living on Lyndale Mews. Already the parking situation is atrocious and the incoming materials and heavy goods vehicles will make this issue even more insurmountable.</p> <p>As a father of 4 children, the area is relatively safe at the moment as traffic tends not to come up here without reason. The introduction of contractors vehicles coming and going will significantly reduce the safety of my children and the other children living here.</p> <p>Without any detailed plans on how you are going to provide safe access to the site via Kilpin Hill or Bower Lane this idea seems absolutely absurd.</p> <p>I would urge you to not pass this application due to the significant impact it will have on current residents.</p>
