<p>I cannot find any documentation on parking availability for the dwellings. There could be 32+ cars requiring parking of which there doesn't seem to be enough room within complex. Even though they are one bedroom apartments some of the residents could have 2 cars per dwelling. With this in mind i am concerned that a lot of the residents will have to park on the road on Hurst Knowle. I live on Hurst Knowle and we already have parking issues due to the teachers from the school on Southfield Road parking on Hurst Knowle.</p> <p>If there is the possibility of residents parking on Hurst Knowle then we need to know so that we can apply for permit parking as it is getting ridiculous around here.</p>
