Further to my response made on 28th October 2025, I have the following comments to make about this proposal.

Bungalows – the proposals regarding the bin collection points and bin storage areas are acceptable to the Waste Collection Authority.

Apartments – the developer has submitted a drawing, Site Plan - "H24 – WC – 003 Rev. N". This drawing shows the bin store holding up to 8 x 1,100 L bins, crucially with the bins facing outwards, rather than side on. This configuration is acceptable to the Waste Collection Authority.
