Subject: Planning application no: 2025/91606

CAUTION: External email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

To Whom It May Concern,

I am writing to make a representation regarding the above planning application.

I strongly object to the change of use of outbuilding and land to a dog hotel at Reservoir House, Whitley Road, WF12 0NQ.

A barn of timber construction, and an outdoor exercise area for up to 30 dogs would create a horrendous noise issue to local residents. This would be incredibly impactful to this once quiet village - surely you can imagine the noise of up to 30 dogs howling and barking, and the nuisance this would be.

A dog hotel so close to residential homes is, quite frankly, completely unacceptable. I believe this will de-value our homes significantly.

Here in Whitley we are having to put up with the noise and disruption of two new houses being constructed, and another being completely gutted and undergoing major refurbishment, but at least we know that will come to an end at some point. Whitley Road and Scopsley Lane are becoming increasingly congested with traffic speeding through. What we do not need is a dog hotel to add to the chaos.

My details are below, but **I DO NOT want my personal name and address published anywhere on your website.**

Kind regards,
