Do you wish your comments to be published on the website anonymously?	Yes
The proposed development doesnt sit entirely on land earmarked for commercial/industrial purposes. It would encompase a residential plot. This proposal will cause a huge nuisance to all the residents in the vicinity in terms of dust, pollution and noisr and cause road safety issues for children and frail elderly people in the area with the increased number of heavy vehicles exoting and entering the site. The council should work with the developers to identify alternative sites.
