I want to object to this concrete production plant on the following grounds. This is a residential area, homes, gardens, allotments and schools. There is enough noise and disruption with the existing plant as it is. The roads aren't made for the traffic that this would generate. The wildlife down that culvert is very varied, deer and foxes, the watercourse will be polluted. My has very bad and the impact on health if this goes ahead doesn't bear thinking about. I strongly object to this application. Thank you.
