<p>I haven't seen any information published anywhere locally on lamp posts or the usual points about this planning? I am very interested how the traffic from 5 dwellings are going to get in and out safely, as well as all the other properties the road feeds. It is a single track road and not possible to be made 2 way, also pulls out onto Bog green lane, probably one of the busiest roads in Huddersfield, with a blind bend coming up the hill, I seriously think this needs a bit more thought.</p>
