<p>The lane Mr Moon intends on using to build 5 houses runs past my house I have had 3 years almost and 2 more to go of network rail using the field opposite the amount of disruption and the noise pollution as had a significant impact on my mental health I live here for the peace and the abundance of wild life we all enjoy Unfortunately the last few years as been far from peaceful I am aghast that KMC would even consider allowing to build on greenbelt land</p>
