<p>This will have a massive impact on traffic on an already small and tight single track road. My biggest concern is for the emergency services if ever required would struggle and be delayed by the ridiculous amounts of traffic caused by this development. Not to mention the environmental impact on protected trees and wildlife.</p> <p>There would be kids, dog walkers, cyclists all trying to dodge cars and this is a major cause for concern that I don't believe has been considered.</p>
