Address of the site or building:	Long Ing Banks Farm, Long Ing Road, Hade Edge, Holmfirth, HD9 2TG
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I do not wish my address to be disclosed</p> <p>The application site is not a farm, it is a smallholding. Nearly three quarters of the holding is located over 12 miles away from the application site, that does not therefore justify the size of the proposed development at the application site.</p> <p>The size of the proposed barn is not justified given the number of animals at the application site nor the height of the building for agricultural machinery.</p> <p>The proposed barn will be visible from nearby properties and will be highly visible from Long Ing Road.</p> <p>The site is in the green belt which should be protected. The proposal seems to take little account of this given the lack of its justification, its proposed size, cheap building materials and effect on views.</p> <p>The applicants comments about vehicle movements, waste disposal, noise and smell are not convincing.</p> <p>The frontage to Long Ing Road is the only stretch of this road without a dry stone wall, it would seem to be a serious omission of the application not to include it.</p> <p>In summary, the proposed development is not justified, it would be harmful to its green belt setting and should therefore be refused.</p>
