Dear Tree Section

I've been contacted by John Penson of 53 Greenfield Road, Holmfirth HD9 3XQ with regards to a sycamore growing on their land as shown in the attached pictures.

Someone from the arb team had contacted them requesting that they take appropriate action with regards to the dying sycamore next to the road.

These are the details that were forwarded of the person who contacted them:

Allan

Subject: Tree ref: 111924 Land Reg: YY29505

Given that the tree is evidently dying, with a dead crown, bark peeling off the trunk and evidence of fungal fruiting bodies, I'd like to submit a 5 day notice to remove it.

Many thanks

Adrian
