Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

We are seeking to vary Condition 2 (Approved Plans) to reflect the amendments to the design of Plot 1 within the approved development (Ref: 2020/62/93954/W).

For Plot 1, the revised design improves the general arrangement of internal living spaces while retaining the approved footprint, aside from the addition of a garage and a more prominent entrance porch. These changes respond to the prominence of the plot within the wider scheme and seek to maximise views across the Colne Valley. While the number of bedrooms remains the same, the internal layout has been enhanced, resulting in minor updates to the elevations. The proposed revisions maintain the approved architectural language and materiality in keeping with the overall scheme.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

We propose that Condition 2 (Approved Plans) be varied to substitute the approved plans relating to Plot 1 with revised drawings that reflect the updated design for this plot.

The condition should be updated to refer to a new list of approved plans, specifically replacing the current drawings for Plot 1 with the revised versions submitted as part of this application. All other elements of the approved plans condition would remain unchanged.
