The planning application does not highlight the tailorship in which the hostel is being used for.
Therefore you could argue the safeguarding concern this poses. There is a nursery across the road and a dessert shop used by children and families.
We only have to look at dewsbury and batley and can already see

I feel like this has trouble written all over it

Its about time we stood and fought for our young people.

If this turns into a bad place, we can say bye bye to the lovely establishments around it
