Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
Is there a need to have a hostel here? This area is within direct access to vulnerable people. Having a hostel here will increase their vulnerability and affect their life. The people who generally come to stay in these hostels are unvetted and not approved. We would require full details of the hostels before agreeing anything of the sort. This affects everyone in the neighbourhood.
